How to transfer a balance from another bank's credit card to your GlobalPlus Card

Send us this form and we'll take the current outstanding balance of another bank's credit card and put it on your existing GlobalPlus Card (subject to approval).

To find out the current GlobalPlus Card interest rates call **0800 4321 46**, go to **globalplus.co.nz** or visit any BNZ store.

Transfer from just about any type of credit card

You can transfer the outstanding balance from any New Zealand issued American Express®, Visa or MasterCard® (except BNZ issued credit cards) as well as Diners Club. You can also transfer balances from GE CreditLine or Farmers Cards. There are no Air New Zealand Airpoints Dollars™ (Air New Zealand's frequent flyer currency) on transferred balances and no interest free days.

To transfer your balance, simply complete this form and freepost it back to us (balance transfers are subject to approval).

CONDITIONS OF ACCEPTANCE

1. Any transferred balance must be a debit balance on another bank's credit card or an accepted store card and your GlobalPlus Card must remain within 95% of its credit limit.
2. Minimum balance transfer amount is \$500.
3. The balance transfer is subject to BNZ approval.
4. BNZ reserve the right to refuse a balance transfer request.
5. BNZ will only transfer the balance as shown on the form and accepts no responsibility for transactions which are not included in the balance as shown on the form.
6. If you have taken advantage of any of our reduced interest rate balance transfer offers, six months after the date your balance transfer is made, any balance transfer amount still unpaid will revert to the standard annual interest rate.
7. If additional transactions are debited to your existing credit card or store card over and above the transfer amount you specify, you will remain liable to repay those additional debts to your bank account and we may not be able to action a request to close that other credit card or store card account.
8. Balances may only be transferred from New Zealand issued Visa, MasterCard, American Express, Diners, Farmers Card and GE CreditLine cards. Excludes BNZ issued cards.
9. If a payment is due on the other bank's credit card or charge account or on the accepted store card within the next ten business days from the date you posted the application, please make the payment.
10. BNZ accepts no liability for late payments or any other payments arising from closing of your bank's credit card or accepted store card and will not be liable for any overdue payment or interest incurred.
11. We will charge interest on any balance transferred from the date your debit balance transfer is made until you repay the transferred amount in full.
12. Subject to any special promotional offer, balance transfers are not eligible for Airpoints Dollars™, Air New Zealand's frequent flyer currency.
13. Payments to other credit card issuers will normally be completed within ten business days from receipt of your request.
14. This request is not an application for an increase in credit limit.
15. All payments to your GlobalPlus Card will be first applied to any fees and interest, then to any lower interest rate "Balance Transfer balance", and then the remainder of the current balance in the following order:
 - (a) Cash advances then purchases processed prior to your current statement.
 - (b) Cash advances then purchases on your current statement. This will result in balances subject to a lower interest rate being paid off first.
